

# Loomtracer

Threaded memory for you, your team, and your AI agents.

# Have you ever had to re-brief an agent on a decision another agent already made?

---

Findings get buried over time.

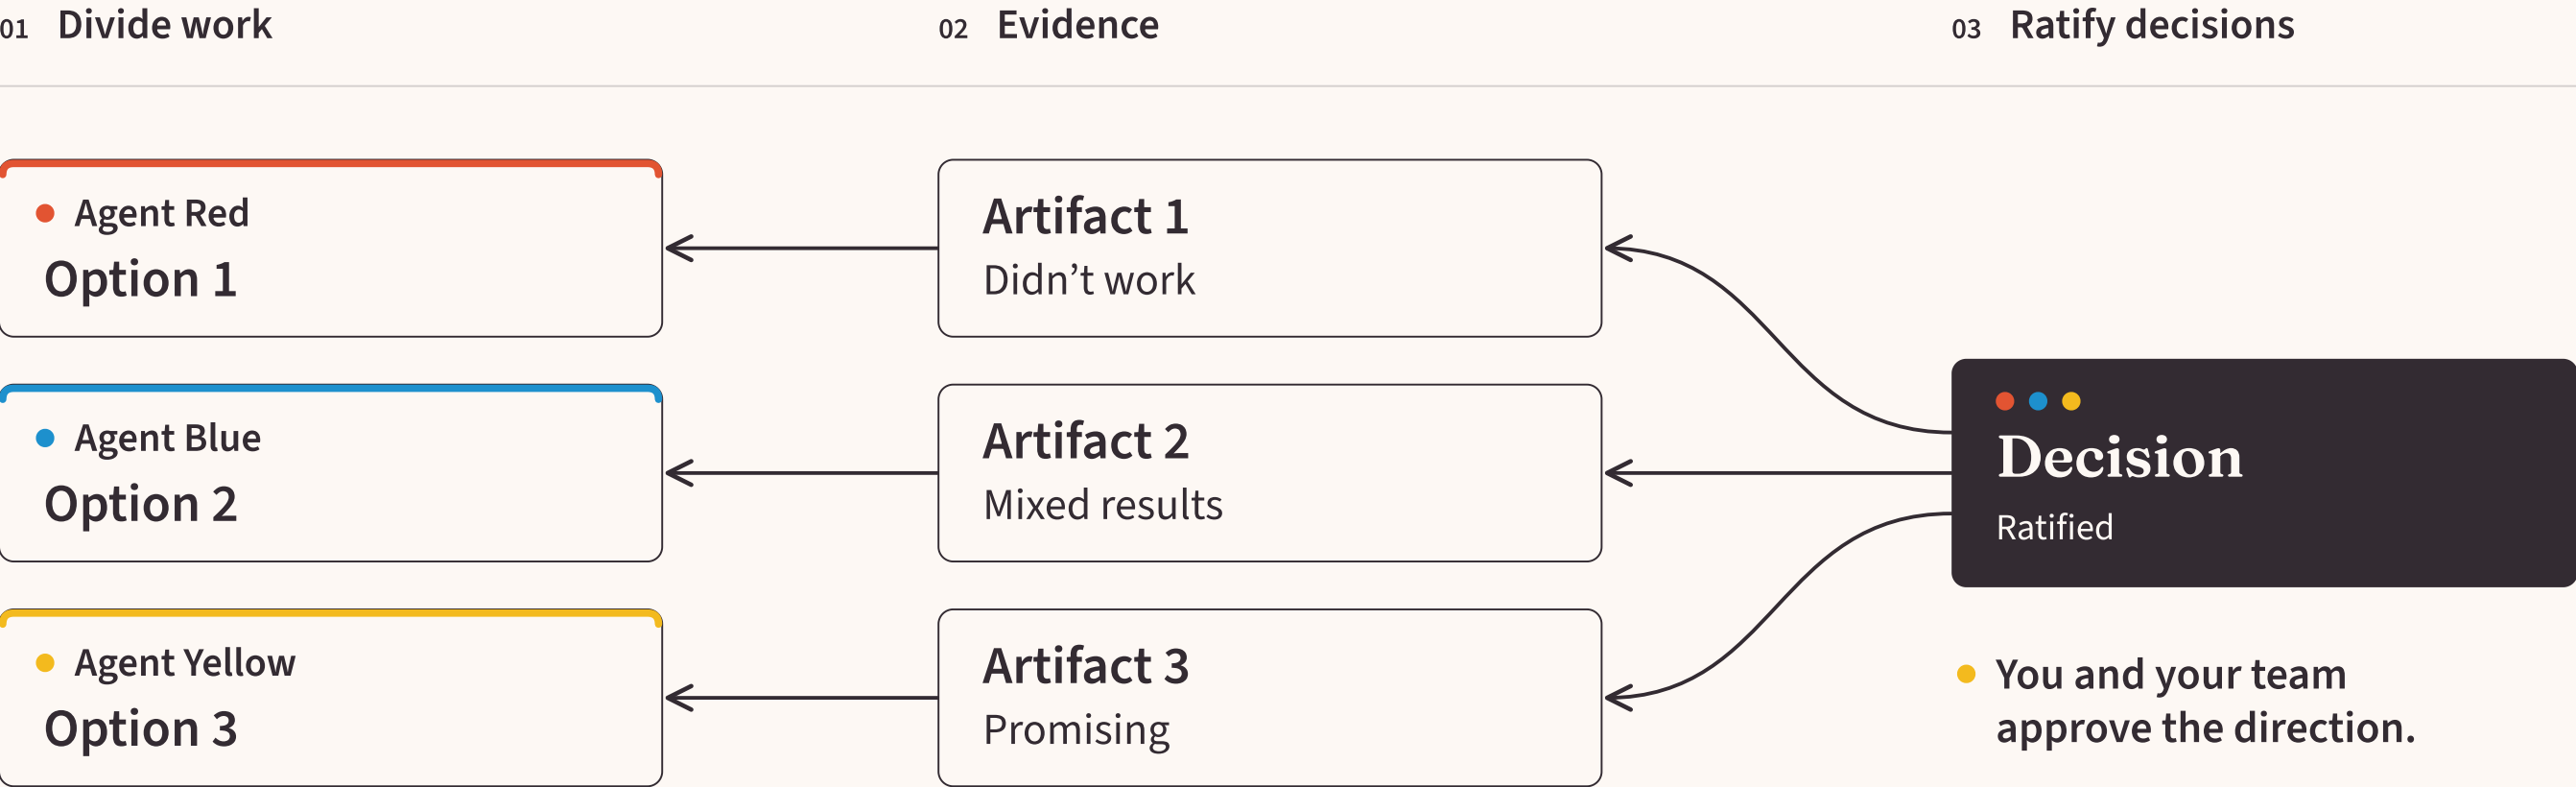

---

Decisions separate from reasoning.

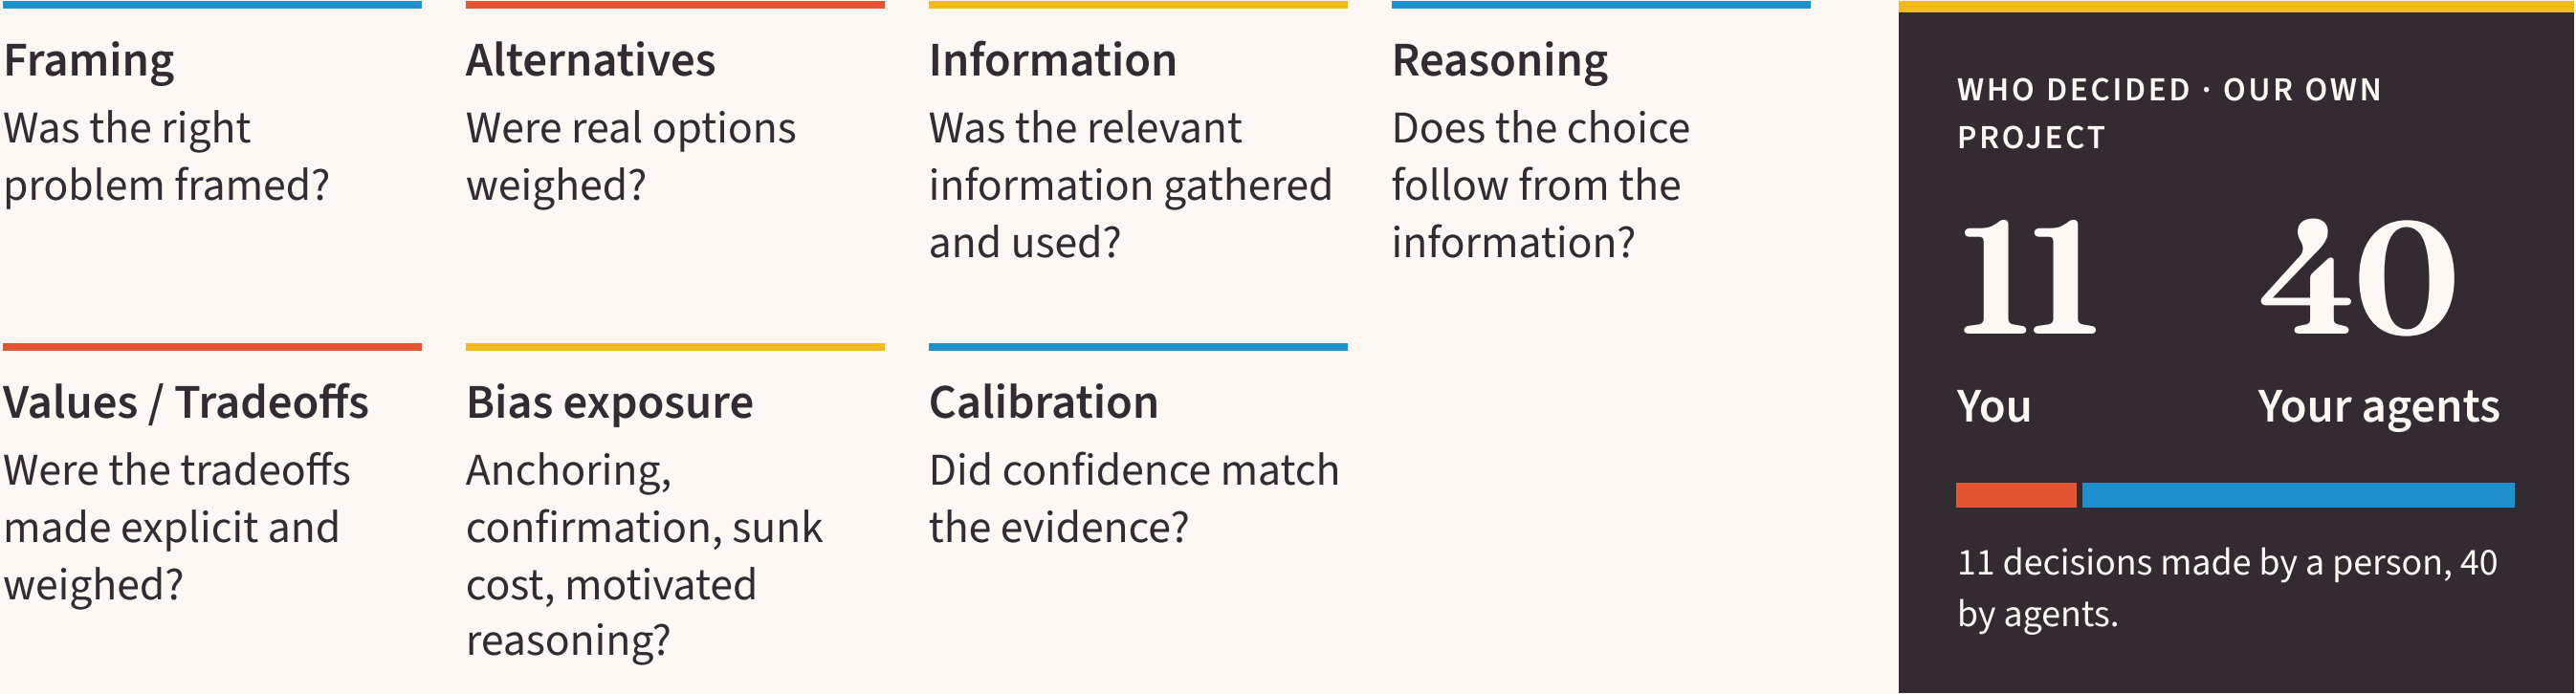

---

It's up to you to connect lost threads.

# Track reasoning, not just facts.

# Are you making the decisions that matter?

**Today:** a seven-dimension profile and who decided. **Coming:** which decisions carry the most impact.

# Thank You
